TB ELIMINATION ALLIANCE

Panel Discussion

Current Trends with Hep B and TB

What is your perspective on communities working together on Hep B and TB elimination, and how do you see your priorities being advanced through community-driven efforts?

Hep B United™
hepbunited.org

TB ELIMINATION ALLIANCE

Panel Discussion

Division-Wide Collaborations

What are your division plans for reaching joint priorities that impact our overlapping communities and health disparities?

Hep B United™
hepbunited.org

TB ELIMINATION ALLIANCE

Panel Discussion

Impact of COVID-19

How has COVID-19 affected your respective divisions, in particular your priorities for Hep B and TB elimination?

Hep B United™
hepbunited.org

TB ELIMINATION ALLIANCE

Panel Discussion

Impact of COVID-19

How has COVID-19 helped your division expand partnership opportunities with other agencies? What kind of partnership opportunities do you see for the future? For example, partnerships that help evolve reimbursement/payment opportunities for testing and treatment.

TB ELIMINATION ALLIANCE

Panel Discussion

Impact of COVID-19

What kind of programmatic interventions did you adopt in response to COVID-19 that worked to mitigate transmission; and interventions that can be applied to Hep B and TB elimination efforts? Examples include adopting a hybrid approach to patient care and leveraging data to inform population health management.
