

Healthy Asians & Pacific Medical Center

STOP TB Program

Mai Vi Hoang, MD
Chief Medical Officer
HAPI Medical Center
April 13, 2022

HAPI Medical Center

HAPI Medical Center's History

- Opened in August 08, 2022
- Medical Mission:

To meet the healthcare needs for Asian & Pacific Islanders (API) by providing quality health services while removing language barriers. We are committed to the healthcare needs of the underserved, uninsured, and underinsured population.

CDC Mini Grant

10/2022 - Approved for 10/2022 -07/2023

STOP TB Program:

- 2 Phases: Phase 1 focus on education, Phase 2 Screening
- Piggy back TB education with an already established program -> community vaccination event, Food Drives
